

American Fidelity Assurance Summer Internship Graduate 2025

Description

The American Fidelity Assurance Summer Internship Graduate 2025 program is a dynamic opportunity designed to provide recent graduates with hands-on experience in the insurance and financial services industry. This internship aims to immerse graduates in the company's operations, culture, and strategic goals, while also offering professional development opportunities. Interns will work closely with various departments, gain exposure to the inner workings of the business, and contribute to impactful projects. This internship serves as a launchpad for potential full-time employment with American Fidelity Assurance.

Responsibilities

- Assist with day-to-day tasks and projects within your assigned department (e.g., underwriting, claims, customer service, sales, finance, marketing, etc.).
- Collaborate with cross-functional teams to contribute to company-wide initiatives and objectives.
- Conduct research and data analysis to support business decision-making and improve operational efficiency.
- Develop reports and presentations for management, highlighting key findings and recommendations.
- Engage in training sessions designed to build industry knowledge and technical skills.
- Participate in company meetings, networking events, and team-building activities.
- Provide input and ideas for process improvements and innovation within the department.
- Assist in client-facing activities or internal operations depending on the department's focus.
- Contribute to special projects and initiatives aimed at improving the overall customer experience or business performance.

Qualifications

- Recent graduate (or graduating by May 2025) with a bachelor's degree in a relevant field such as Business Administration, Finance, Marketing, Actuarial Science, Insurance, or related disciplines.
- Strong academic record with a GPA of 3.0 or above.
- Interest in pursuing a career in insurance, finance, or the financial services industry.

Experience

- Previous internship or volunteer experience is preferred but not required.
- Exposure to customer service, data analysis, or business operations is an advantage.
- Experience in leadership roles, student organizations, or extracurricular
