Banfield Summer Internship Students 2025 Opportunities

Description

Banfield Pet Hospital is offering exciting and rewarding Summer Internship opportunities for students in 2025. These internships are designed for individuals passionate about veterinary care, animal health, and customer service. Interns will work alongside experienced professionals to gain hands-on experience in a dynamic, fast-paced environment, while contributing to Banfield's mission to improve the lives of pets and their families.

Responsibilities

- Assist veterinary teams with daily tasks, including preparing for examinations and assisting in animal care.
- Observe and participate in clinical activities, such as diagnostics, procedures, and surgeries (under supervision).
- Support the reception and customer service teams, helping with client communication, scheduling, and office tasks.
- Help maintain clean and organized hospital environments, ensuring adherence to safety and hygiene standards.
- Participate in team meetings and training sessions to develop knowledge of veterinary practices and customer service.
- Contribute to projects and research as needed, gaining exposure to the operations of a leading veterinary hospital.
- Support in pet care-related administrative tasks such as inventory tracking and assisting with medical records.

Qualifications

- Currently enrolled in a college or university program, preferably in veterinary science, animal care, biology, or related fields.
- Must be at least 18 years old by the start of the internship.
- Strong academic standing with a passion for animal health and wellness.
- Interest in learning more about the veterinary industry and animal care practices.

Experience

- No prior professional experience is required, but previous experience working with animals (such as volunteering, internships, or part-time jobs) is a plus.
- Any experience in customer service or healthcare settings is beneficial but not mandatory.

Skills

- Strong communication skills, both verbal and written.
- Ability to work well in a team-oriented environment.
- Attention to detail and a strong desire to learn.
