## Boise Airport Internship Vacancies Apply Online 2025 In US

### Description

Boise Airport (BOL) is offering internship opportunities for 2025, designed to provide students with valuable hands-on experience in airport operations, management, and customer service. Interns will gain exposure to the various functions of a major airport, including aviation services, security, marketing, and facility management. This internship program provides students the opportunity to apply academic knowledge in a real-world setting while contributing to the efficient operation of Boise Airport.

### Responsibilities

- **Assist in Airport Operations:** Support daily operations of the airport, including check-in, baggage handling, and gate management, ensuring smooth and efficient service.
- **Customer Service Support:** Help address customer inquiries, resolve issues, and provide high-quality service to passengers, visitors, and airport staff.
- **Aviation Management:** Work with airport management teams on various tasks, including regulatory compliance, air traffic control coordination, and safety procedures.
- **Marketing and Communications:** Contribute to marketing efforts, including preparing promotional materials, assisting with social media content, and helping plan community outreach events.
- **Data Analysis and Reporting:** Collect, analyze, and report on operational data, passenger trends, and customer satisfaction to help improve airport services and efficiencies.
- **Event Coordination:** Assist in planning and executing airport events, including conferences, special programs, and public relations activities.
- **Project Assistance:** Participate in ongoing projects, working closely with airport departments such as facilities, security, and maintenance to support long-term improvements.

### Qualifications

- **Enrollment Status:** Must be currently enrolled in an undergraduate or graduate program in Airport Management, Aviation, Business Administration, Public Relations, or a related field.
- **Academic Standing:** A minimum GPA of 2.5 or higher is required.
- **Availability:** Must be available to work part-time or full-time during the internship period (Spring/Summer 2025), with flexibility for work schedules.

### Experience

- **No Prior Experience Required:** The internship is open to students who are eager to learn. Previous experience in aviation, customer service, or business operations is beneficial but not mandatory.
