Charlotte Douglas Airport Internship Opportunities 2025 Apply Here

Description

Charlotte Douglas International Airport offers a unique opportunity for motivated individuals to gain hands-on experience in the aviation and airport management industries. This internship program is designed to provide an immersive learning experience for students or recent graduates, allowing them to work alongside professionals in a variety of departments, including operations, customer service, marketing, and security.

Responsibilities

As an intern, you will have the opportunity to contribute to various projects and support operational teams across different departments. Key responsibilities may include:

- Assisting with airport operations and logistics, including coordination of flight schedules, gate assignments, and baggage handling.
- Supporting customer service initiatives to enhance passenger experience, including providing information and assisting with inquiries.
- Participating in marketing and promotional efforts, including social media management, event coordination, and content creation.
- Helping with data analysis, research, and reporting for various airport departments.
- Assisting with the planning and implementation of airport improvement projects and operational strategies.
- Observing and learning from senior staff, gaining exposure to the diverse functions of airport management.
- Participating in meetings, training sessions, and workshops to further your understanding of the airport industry.

Qualifications

- Currently enrolled in or recently graduated from an accredited university or college, preferably in fields related to aviation management, business administration, logistics, marketing, or hospitality.
- Strong academic performance, with a focus on subjects related to airport operations, business management, or customer service.
- Willingness to learn and a proactive attitude towards challenges.

Experience

- Previous internships, volunteer work, or part-time jobs in customer service, business administration, or aviation are a plus but not required.
- Experience in a fast-paced environment is beneficial.

Skills

- Strong communication skills, both written and verbal.
- Ability to work effectively both independently and as part of a team.
