CMS Summer Internship For Students Program 2025

Description

The CMS (Centers for Medicare & Medicaid Services) Summer Internship for Students Program 2025 offers a unique opportunity for students to gain hands-on experience in the healthcare and government sectors. Interns will work closely with professionals in various CMS departments to support the agency's mission to improve healthcare quality, affordability, and accessibility for all Americans. This program is ideal for students interested in public health, policy-making, healthcare administration, and data analysis, providing exposure to federal healthcare initiatives and operational functions.

Responsibilities

- Assist in analyzing healthcare policy, research data, and program outcomes.
- Support project management tasks within CMS divisions, helping teams meet project deadlines.
- Prepare reports, presentations, and documentation to communicate findings effectively.
- Participate in cross-functional team meetings and contribute ideas to improve project outcomes.
- Conduct research on healthcare topics, such as access, quality, and affordability.
- Provide administrative support, including data entry, record-keeping, and scheduling.
- Attend briefings, training sessions, and networking events to gain a deeper understanding of CMS operations and the broader federal healthcare landscape.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program with a focus on Public Health, Healthcare Administration, Public Policy, Data Analytics, Information Technology, or a related field.
- Minimum GPA of 3.0 (on a 4.0 scale) or equivalent.
- Demonstrated interest in healthcare, government, or public policy.

Experience

- Previous internship or work experience in healthcare, policy analysis, data management, or administration is preferred but not required.
- Experience working on projects in a team setting, with proven ability to meet deadlines.
- Familiarity with Microsoft Office Suite (Word, Excel, PowerPoint) and data analysis tools is beneficial.

20.19.2026

- **Analytical Skills:** Ability to analyze and interpret healthcare data and trends.
- **Communication Skills:** Strong written and verbal communication skills for report writing and presentations.
- **Attention to Detail:** Precision in managing data, documents, and reports.
- **Project Management:** Basic understanding of project planning and organization.
- **Teamwork:** Willingness to collaborate with a team and share insights constructively.
- **Adaptability:** Ability to manage multiple tasks and adapt to changing priorities.

Job Benefits

- Gain hands-on experience in a prestigious government agency impacting national healthcare policy.
- Mentorship from CMS professionals with extensive experience in healthcare and policy.
- Opportunities to attend professional development workshops and networking events.
- Competitive stipend provided for the internship duration.
- Potential to receive academic credit, subject to approval by your academic institution.

How To Apply

Interested candidates should submit an application that includes a resume, a statement of interest (300-500 words), and a letter of recommendation from a professor or mentor. Applications can be submitted via the CMS website's Careers section or by emailing the recruitment team at cmsrecruitment@cms.gov. Early applications are encouraged as positions may be filled on a rolling basis.
