Coast Guard Internship Program 2025 In United States

Description

The Coast Guard Internship Program 2025 is an opportunity for students and recent graduates to gain hands-on experience in a dynamic, mission-focused environment. Interns will support various Coast Guard operations, ranging from administrative duties to field activities, and will learn about the Coast Guard's essential role in maritime safety, security, and environmental protection. This program aims to equip interns with practical knowledge, leadership skills, and an understanding of public service.

Responsibilities

- Assist Coast Guard personnel in daily operations, including search and rescue missions, law enforcement, environmental protection, and more.
- Support administrative functions, such as data entry, records management, and scheduling.
- Participate in training sessions on maritime safety, environmental policies, and security protocols.
- Help coordinate public outreach initiatives to educate communities on Coast Guard activities.
- Conduct research and assist in drafting reports related to Coast Guard projects.
- Observe and learn from seasoned Coast Guard personnel, gaining insight into the workings of a military organization and its mission.
- Perform other duties as assigned to contribute to the overall mission of the Coast Guard.

Qualifications

- Must be a U.S. citizen.
- Must be at least 18 years old.
- Enrolled in a college or university (undergraduate or graduate) or a recent graduate within the past 12 months.
- Interest in maritime services, public safety, environmental protection, or government operations.
- Ability to pass a background check and obtain necessary security clearances.
- Willingness to comply with Coast Guard standards of conduct and appearance.

Experience

- Prior experience in public service, environmental work, or military support is a plus, but not required.
- Academic background in criminal justice, environmental science, engineering, public administration, or related fields preferred.
