FTC Summer Internship Students Program 2024

Description

The Federal Trade Commission (FTC) Summer Internship Students Program 2024 offers a unique opportunity for highly motivated students to gain hands-on experience in the public sector while contributing to the FTC's mission of promoting fair competition and protecting consumers. Interns will work with dedicated teams, participate in real-world projects, and develop essential skills that will enhance their academic and professional growth.

Responsibilities

- Assist FTC staff in conducting research, data analysis, and investigations related to consumer protection and antitrust issues.
- Support case investigations and legal proceedings, including gathering and reviewing evidence, documentation, and relevant materials.
- Draft memos, reports, and other documents to contribute to case analyses and decision-making processes.
- Participate in team meetings, case discussions, and strategic planning sessions, providing insights and updates.
- Engage in projects aimed at improving FTC procedures, regulations, and outreach efforts.
- Complete administrative tasks as assigned to support FTC teams in daily operations.

Qualifications

- Must be enrolled in an accredited undergraduate or graduate program (law, economics, business, or related fields preferred).
- Strong academic performance with coursework relevant to the FTC's work.
- Demonstrated interest in public service, consumer protection, or economic policy.

Experience

- Previous internships or work experience in government, law, economics, or a related field is advantageous but not required.
- Experience with research, data analysis, or case work (academic or professional) is beneficial.

Skills

- Excellent research, analytical, and problem-solving skills.
- Strong written and verbal communication abilities.
- Ability to work both independently and collaboratively within a team.
- Proficiency with Microsoft Office Suite (Word, Excel, PowerPoint) and basic research tools.
- Organizational skills with attention to detail and accuracy.
