Greater Anglia Internship Vacancies 2025 Apply Now

Description

The Greater Anglia Internship Programme 2025 offers a fantastic opportunity for students and recent graduates to gain valuable work experience in the rail industry. As an intern, you will work closely with our teams, developing skills and knowledge in a dynamic, customer-focused environment. This program is designed to give you insight into the operations of one of the leading train operating companies in the UK, while helping you build your professional network and prepare for a successful career in transport and logistics.

Responsibilities

- **Project Support:** Assist with key projects across various departments, including operations, customer service, marketing, engineering, and finance.
- **Research & Analysis:** Conduct research, gather data, and provide insights that will contribute to operational improvements.
- **Customer Experience:** Support the delivery of excellent customer service by collaborating with frontline teams to enhance customer satisfaction.
- **Team Collaboration:** Work alongside senior professionals, contributing to team discussions, meetings, and offering innovative ideas.
- **Reporting:** Prepare presentations, reports, and briefings on your findings and progress for senior management.
- **Continuous Learning:** Participate in training sessions, webinars, and networking events that contribute to your personal and professional development.

Qualifications

- **Current Enrollment/Recent Graduate:** You should be currently enrolled in or have recently graduated from a relevant degree program (Business, Engineering, Marketing, Transport Management, etc.).
- **Academic Achievement:** Strong academic background with a minimum of a 2:1 in your relevant field of study.

Experience

- **Previous Internship/Part-time Work (Desirable):** Any previous internship or work experience in a customer service, operational, or business environment is beneficial, but not essential.
- **Interest in the Transport Sector:** A keen interest in the rail industry, transport management, or infrastructure development is highly desirable.

Skills

- **Strong Communication Skills:** Excellent written and verbal communication skills.
- **Problem Solving & Analytical Ability:** Ability to analyze data and provide
