Heathrow Express Summer Internship Current Vacancies 2025 In UK

Description

The Heathrow Express Summer Internship offers an exciting opportunity to gain hands-on experience within one of the UK's most renowned transport services. This program provides a unique insight into the operations of Heathrow Express, connecting London with Heathrow Airport. Interns will have the chance to contribute to a wide range of projects, develop key skills in the transport and customer service industries, and gain exposure to operational, marketing, and customer experience functions. The internship is ideal for those who are passionate about transport, customer service, and the aviation sector.

Responsibilities

- **Project Support:** Work on key projects within operations, marketing, customer service, or digital transformation to improve the Heathrow Express service.
- **Operational Assistance:** Assist in the daily operational tasks related to train schedules, maintenance coordination, and customer service processes.
- **Data Analysis:** Help with data collection, reporting, and performance analysis to track operational performance and customer satisfaction.
- **Customer Engagement:** Support the team in enhancing customer experience by interacting with passengers, assisting with feedback gathering, and identifying areas for service improvements.
- **Marketing and Communications:** Contribute to promotional campaigns, social media management, and other marketing strategies to increase awareness of Heathrow Express services.
- **Cross-functional Collaboration:** Work alongside various teams, including operations, sales, and marketing, to help streamline processes and improve efficiencies.
- **Training & Development:** Participate in structured learning sessions and workshops to develop your skills in leadership, project management, customer experience, and the transportation industry.

Qualifications

- **Minimum Requirement:**
 - Currently enrolled in an undergraduate degree program or a recent graduate (within the last 12 months) in a relevant field (Business, Marketing, Transport Management, Engineering, etc.).
 - Predicted or achieved a minimum of a 2:2 in your degree (or equivalent).
- **Eligibility:**
 - Right to work in the UK for the duration of the internship.
 - A genuine interest in the transport, customer service, and aviation industries.
