## Homes England Internship Placements Program 2025 In London

### Description

The Homes England Internship Placements Program 2025 offers a unique opportunity for enthusiastic and motivated individuals to gain hands-on experience in the housing and urban development sector. Interns will work alongside professionals at the forefront of shaping the UK's housing landscape, contributing to impactful projects that drive innovation, sustainability, and affordable housing solutions. The program is designed to provide real-world exposure to a range of activities within Homes England, helping interns develop key skills and a deeper understanding of the public sector's role in housing development.

### Responsibilities

As part of the Homes England Internship Placements Program, interns will have the opportunity to contribute to the following areas:

- **Project Support:** Assist in the planning, delivery, and monitoring of housing projects, working alongside project managers and development teams.
- **Research and Analysis:** Conduct research on housing trends, market conditions, policies, and best practices to support decision-making.
- **Stakeholder Engagement:** Collaborate with internal teams, external stakeholders, and partners to foster effective communication and ensure the smooth delivery of projects.
- **Policy and Strategy Development:** Contribute to the development of policies, strategies, and reports that support the mission of increasing housing supply and creating better homes.
- **Data Analysis:** Support the analysis and presentation of data to help evaluate the performance and impact of housing initiatives.
- **Administrative Tasks:** Provide administrative support to senior staff, including preparing documents, coordinating meetings, and maintaining records.

### Qualifications

- **Educational Background:** Currently enrolled in or recently completed a relevant undergraduate or postgraduate degree (e.g., Urban Planning, Architecture, Real Estate, Public Policy, Economics, Business, or related fields).
- **Eligibility:** Applicants must be eligible to work in the UK for the duration of the placement.

### Experience

- **Preferred but not essential:** Previous experience in housing, urban development, public policy, or a related field (internships, volunteering, or academic projects).
- **Demonstrated interest in public service and housing development,** with a passion for making a tangible impact on communities and the built
