

HSBC Summer Internship Graduate Work For Placements 2025

Description

HSBC's Summer Internship Program 2025 offers ambitious university students a unique opportunity to gain hands-on experience and insight into the world of banking and finance. As part of our global internship program, you will work alongside industry experts and leaders, gaining valuable exposure to key areas such as investment banking, retail banking, commercial banking, and risk management. This internship aims to develop your skills, knowledge, and professional network, preparing you for a successful career with HSBC.

Responsibilities

- **Project Support:** Assist in day-to-day operations, working on live projects that contribute to the business's objectives. You may be involved in data analysis, market research, and reporting.
- **Collaborative Work:** Work alongside colleagues across different teams, sharing ideas and supporting the execution of various tasks. Collaborate with business leaders, senior analysts, and other stakeholders.
- **Client Interaction:** Depending on the department, you may have the opportunity to assist in client-facing tasks, including preparing presentations, meeting clients, or supporting account managers.
- **Training and Development:** Participate in a structured training program, including workshops, networking events, and learning sessions on technical and professional skills.
- **Feedback and Reviews:** Engage in regular performance reviews and receive feedback to help develop your skills and career path.
- **Global Exposure:** Gain insight into HSBC's global operations and how different teams work together to meet client needs and business goals.

Qualifications

- **Essential:**
 - Currently pursuing a degree in any discipline (final year students are also eligible, with expected graduation in 2025 or beyond).
 - Strong academic record (2:1 degree classification or equivalent).
 - Fluent in English (both written and verbal).
- **Desirable:**
 - Interest in banking, finance, economics, business, or related fields.
 - Participation in extra-curricular activities or leadership roles is advantageous.
 - Eligibility to work in the relevant country for the duration of the internship.

Experience

- **Essential:**
 - No prior work experience is required. We are looking for motivated individuals with a passion for the financial sector.
