Hull Trains Internship Programme 2025 In United Kingdom

Description

The Hull Trains Internship Programme 2025 is designed to provide motivated and enthusiastic individuals with the opportunity to gain hands-on experience and insight into the workings of a leading UK train operator. As an intern, you will support various departments within Hull Trains, assisting with key projects, learning about the transportation industry, and contributing to the delivery of excellent customer service. This is an ideal opportunity for those looking to pursue a career in transport, customer service, or operations.

Responsibilities

- Support the operations team in daily activities related to train scheduling, service delivery, and customer communications.
- Assist in maintaining and improving customer service procedures and processes.
- Work with the marketing team on projects related to brand awareness, promotional campaigns, and customer engagement.
- Participate in the analysis of customer feedback and operational performance data to identify areas for improvement.
- Help with the implementation of sustainability initiatives and projects aimed at enhancing the environmental impact of services.
- Collaborate with cross-functional teams to support various business goals, including digital transformation and innovation.
- Provide administrative support where needed across different departments.
- Attend meetings and contribute ideas during project discussions and team activities.
- Complete a final project or presentation to be delivered at the end of the internship, summarizing learning outcomes and contributions.

Qualifications

- Currently enrolled in a degree programme or a recent graduate (preferably in Business, Transport, Marketing, Engineering, or related fields).
- Strong academic record with relevant coursework or projects related to the transportation or customer service industries.
- A genuine interest in the rail industry and transportation services.

Experience

- Previous work experience or internships (preferably in customer service, transport, operations, or related sectors) is an advantage but not essential.
- Demonstrated ability to work in a team environment and show initiative.

Skills

- Strong communication skills, both written and verbal.
- Good organizational and time management abilities.
