

## Iceland Foods Internship For Current Vacancies 2025 Apply Now

### Description

Iceland Foods is offering an exciting internship programme for 2025, designed for enthusiastic and motivated individuals who are passionate about retail, business operations, and customer service. This internship will provide you with valuable hands-on experience across various departments, including operations, marketing, logistics, and more. You will work alongside professionals, contribute to real-world projects, and gain an understanding of the retail industry while developing your skills for future career opportunities.

### Responsibilities

- Support key business operations in departments such as retail, supply chain, logistics, marketing, and HR.
- Assist with the implementation and monitoring of marketing campaigns, customer promotions, and in-store activities.
- Participate in data collection and analysis to help optimize retail performance and customer engagement.
- Support the logistics team with inventory management, supply chain processes, and delivery scheduling.
- Help with organizing and executing internal projects related to sustainability and company initiatives.
- Provide administrative support across various departments as required.
- Assist in the preparation of reports, presentations, and other key documentation for management.
- Collaborate with cross-functional teams to ensure the smooth execution of daily activities.
- Attend training sessions and meetings to build industry-specific knowledge and business acumen.
- Present findings and contribute ideas during internship review sessions or project presentations

### Qualifications

- Currently enrolled in a degree programme (or recent graduate) in a relevant field such as Business, Retail Management, Marketing, Supply Chain, or related disciplines.
- A strong academic record with a genuine interest in the retail or consumer goods industry.

### Experience

- Previous work experience, internships, or projects in retail, marketing, logistics, or customer service is beneficial but not required.
- An understanding of business operations or retail processes is a plus.
