INTEGRIS Health Internship Students Opportunities 2025

Description

The INTEGRIS Health Internship Program offers students the opportunity to gain practical experience in a leading healthcare environment, where they can learn about hospital operations, patient care, and the intricacies of healthcare management. This program is ideal for students interested in healthcare careers who are seeking hands-on experience in areas such as clinical services, administration, finance, and healthcare technology. Through this internship, students will be able to apply their academic knowledge in real-world settings, guided by experienced healthcare professionals.

Responsibilities

- **Clinical Support:** Assist in various clinical tasks under supervision, such as patient intake, preparing medical documents, and supporting patient care teams as appropriate for non-clinical staff.
- **Project Assistance:** Participate in ongoing projects that support hospital operations, from quality assurance initiatives to data analysis for departmental improvement.
- **Administrative Tasks:** Support administrative staff with scheduling, record-keeping, and patient data management to gain insight into healthcare administration.
- **Patient Interaction:** Engage with patients and families to provide excellent customer service and assist in non-medical aspects of their care journey.
- **Data Analysis and Reporting:** Work with data on patient outcomes, operational metrics, and healthcare trends, preparing reports for internal use.
- **Team Collaboration:** Collaborate with various departments, such as Nursing, Human Resources, Finance, and IT, for a comprehensive understanding of healthcare facility operations.

Qualifications

- **Education:** Current enrollment in an accredited college or university, pursuing a degree in Healthcare Administration, Nursing, Public Health, Business Administration, Information Technology, or related fields.
- **GPA:** Minimum GPA of 3.0 (or equivalent).

Experience

- **Relevant Coursework:** Coursework in healthcare, business administration, or information technology is preferred.
- **Previous Experience:** Any experience in a healthcare or customer service setting is beneficial but not required.

Skills

- **Communication Skills:** Strong written and verbal communication skills for
