IRS Summer Internship Students 2025 In United States

Description

The IRS Summer Internship Program provides an exciting opportunity for students to gain valuable experience in federal tax administration and public service. This program is designed to immerse students in various aspects of IRS operations, including tax compliance, data analytics, customer service, and policy research. Interns will work alongside seasoned IRS professionals, assisting in essential projects and gaining insights into tax regulations and federal operations. This internship is ideal for students who are interested in government service, finance, law, data analytics, or public administration.

Responsibilities

As an IRS intern, you will have the opportunity to:

- Assist in reviewing and analyzing tax documents and returns under the guidance of IRS agents and examiners.
- Support IRS teams in data collection, interpretation, and reporting to ensure compliance with tax regulations.
- Participate in policy research and help develop recommendations to improve IRS procedures.
- Engage in customer service activities, including providing information to taxpayers and addressing inquiries.
- Work on projects related to tax law, fraud prevention, data security, or auditing.
- Collaborate with cross-functional teams to enhance taxpayer services and simplify tax processes.
- Develop reports and presentations for IRS staff to communicate findings and recommendations.

Qualifications

- Current enrollment in an undergraduate or graduate program in Accounting, Finance, Business Administration, Law, Public Administration, Economics, Data Science, or a related field.
- Must be a U.S. citizen or legal permanent resident.
- Must be in good academic standing with a minimum GPA of 3.0 on a 4.0 scale.
- Strong interest in public service and knowledge of federal tax systems is preferred.

Experience

- Previous experience or coursework in finance, accounting, business, law, or data analytics is advantageous.
- Experience with data analysis or tax research is preferred but not required.
