John Menzies Aviation Company Internship Up And Running Graduate 2025 New Hiring

Description

John Menzies Aviation is offering an exciting opportunity for graduates to join our Up and Running Graduate Internship Program in 2025. This program is designed to provide recent graduates with the experience, training, and support needed to develop into future leaders within the aviation industry. Interns will gain hands-on experience, working across various departments in a global business that operates at the heart of airport services worldwide. The program will equip you with the skills to launch your career in aviation, operations, logistics, or business management.

Responsibilities

- **Project Participation:** Engage in meaningful projects across key departments, including Operations, Customer Service, Logistics, and Safety, contributing to the successful delivery of services to airlines and passengers.
- **Operational Support:** Work closely with operational teams to understand the daily running of ground services, such as baggage handling, aircraft loading, fueling, and customer service at airports.
- **Problem-Solving and Innovation:** Analyze operational processes and suggest improvements to increase efficiency, safety, and customer satisfaction.
- **Customer Relationship Management:** Support the customer service team in maintaining strong relationships with airlines and airport partners, ensuring the highest level of service.
- **Data and Reporting:** Collect and analyze performance data, preparing reports for senior management and contributing to decision-making processes.
- **Health and Safety Compliance:** Ensure adherence to health and safety standards, conducting risk assessments and supporting safety audits.
- **Team Collaboration:** Work alongside teams across different time zones and business functions, gaining a global perspective of the aviation industry.
- **Learning and Development:** Participate in internal training programs and workshops to develop leadership, technical, and soft skills essential for a successful career in aviation.

Qualifications

- **Education:** A recent graduate (2023 or 2024) with a degree in any discipline. A background in Aviation, Logistics, Business Management, or Engineering is desirable but not mandatory.
- **Eligibility:** Candidates must be legally eligible to work in the UK or other applicable locations.
- **Language Requirements:** Proficiency in English (written and verbal) is required. Additional language skills are a plus.

- **Adaptability:** Flexibility and a proactive approach in a fast-paced, dynamic environment, with the ability to handle changing demands and tight deadlines.
- **Teamwork:** Ability to work collaboratively with diverse teams, showing leadership potential and contributing to group efforts.
- **Technical Competence:** Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint), and familiarity with data analysis tools or other relevant software is an advantage.
- **Attention to Detail:** Ability to pay close attention to operational processes and safety procedures, ensuring high standards of service delivery.
- **Time Management:** Effective time management skills with the ability to prioritize tasks and manage multiple responsibilities simultaneously.

Job Benefits

- **Competitive Salary:** A competitive salary based on the role and location, with performance-related incentives.
- **Training and Development:** Access to structured training programs, mentorship, and ongoing development opportunities to enhance your skills and advance your career.
- **Global Exposure:** Work in a globally diverse company, with the opportunity to experience various operational areas and contribute to international projects.
- **Career Progression:** Potential for full-time employment after completing the internship, with opportunities for career growth within the aviation and logistics sectors.
- **Health and Wellbeing:** Health and wellness benefits, including access to a range of wellbeing initiatives.
- **Employee Discounts:** Discounts on travel and services offered by partners in the aviation and travel industry.
- **Networking Opportunities:** Connect with industry professionals, leaders, and fellow interns, enhancing your career prospects.

How To Apply

- **Submit Your Application:** To apply, please visit the John Menzies Aviation Careers website. Upload your CV and a cover letter that outlines your interest in the Up and Running Graduate Program and how your skills align with the role.
- **Assessment Process:** If shortlisted, you will be invited to complete an online assessment, followed by a virtual or in-person interview with a hiring manager.

- **Selection Criteria:** Applications will be reviewed based on academic achievements, relevant skills, work experience, and motivation for joining the aviation industry.
