John Wayne Airport Internship Students Opportunities 2025

Description

The John Wayne Airport (JWA) Internship Program offers students a unique opportunity to gain hands-on experience in airport operations, aviation management, public administration, and other professional fields in a vibrant airport environment. This program is ideal for students interested in learning about airport operations, safety, customer service, and regulatory compliance, providing real-world experience that will benefit their careers in public service or aviation.

Responsibilities

As an intern at John Wayne Airport, you will:

- Support daily airport operations, including monitoring of terminal activities and assisting in customer service.
- Assist with data collection and analysis on passenger traffic, airline performance, and other operational metrics.
- Participate in airport safety inspections and regulatory compliance checks.
- Collaborate with departments such as Operations, Facilities Management, Customer Relations, and Environmental Services.
- Provide support for airport events, tours, and educational outreach programs.
- Draft reports, memos, and presentations for airport staff and management.
- Engage in project-based work, contributing ideas to improve airport services and operational efficiencies.
- Attend meetings and workshops with various airport departments and external partners.

Qualifications

- Currently enrolled in an undergraduate or graduate program at an accredited college or university.
- Major in fields such as Aviation Management, Public Administration, Business, Environmental Science, Engineering, or related disciplines.
- Minimum GPA of 3.0 is preferred.
- Must be able to legally work in the United States.

Experience

- Prior internship or relevant coursework in aviation, transportation, customer service, or public administration is a plus.
- Experience with data collection, analysis, and report writing is beneficial.
- Previous customer service experience is advantageous, as the role may involve direct interaction with passengers.

Skills

- **Communication:** Strong verbal and written communication skills to interact with airport staff and passengers effectively.
