## Las Vegas Airport Internship Opportunities 2025 In US

### Description

Harry Reid International Airport (LAS) in Las Vegas is offering exciting paid internship opportunities for Summer 2025. This program is ideal for students who are passionate about aviation, airport operations, public service, and business. Interns will gain hands-on experience, working closely with airport professionals across various departments such as Operations, Finance, Engineering, Customer Service, and Public Relations. This opportunity will provide valuable insights into the dynamic world of airport management and operations, preparing students for future careers in the aviation industry.

### Responsibilities

As an LAS Intern, you will:

- Work on assigned projects that support airport operations, focusing on areas like safety, security, customer service, and operational efficiency.
- Collaborate with LAS staff to improve airport processes and contribute to ongoing initiatives.
- Assist in data collection, analysis, and reporting to support departmental projects, presentations, or initiatives.
- Participate in team meetings, training sessions, and professional development workshops.
- Interact with travelers, offering customer support and ensuring a positive experience for guests at the airport.
- Document and present project findings and recommendations to LAS staff and leadership.

*Note:* Specific duties may vary depending on the department and project focus.

### Qualifications

- Currently enrolled in an undergraduate or graduate program at an accredited institution.
- Pursuing a degree in a relevant field such as Aviation, Business Administration, Public Relations, Engineering, Finance, Hospitality Management, or related disciplines.
- Good academic standing with a minimum GPA requirement (varies by position).
- Ability to work legally in the United States for the duration of the internship.

### Experience

- Coursework, projects, or previous experience in fields such as aviation, public service, business management, engineering, or hospitality is preferred.
- Ability to work independently and in a team environment to meet project goals.
- Exposure to customer service or public interaction is advantageous.
