Liverpool John Lennon Airport Internship Graduate 2025

Description

Liverpool John Lennon Airport is seeking a motivated and enthusiastic graduate to join its Internship Program for 2025. The role provides an exciting opportunity to gain hands-on experience in a dynamic and fast-paced aviation environment. As an intern, you will be exposed to a variety of operational and business areas within the airport, providing a strong foundation for your future career in the aviation industry.

Responsibilities

- **Support Airport Operations:** Assist in the smooth running of daily airport operations, including passenger services, flight operations, and ground handling processes.
- **Project Management:** Work on specific projects related to airport development, sustainability initiatives, or customer service improvements.
- **Data Analysis & Reporting:** Analyze operational data to support decision-making processes, contributing to performance reporting and strategic planning.
- **Customer Service Support:** Gain hands-on experience in delivering high-quality customer service, assisting passengers, and resolving issues as needed.
- **Collaboration Across Teams:** Work closely with different departments such as security, logistics, marketing, and management to ensure operational excellence.
- **Health & Safety Compliance:** Ensure adherence to airport health, safety, and security protocols while maintaining a high standard of service.
- **Event Planning:** Participate in organizing and supporting airport events or promotional campaigns aimed at enhancing the customer experience.

Qualifications

- A Bachelor's degree or equivalent in a relevant field (e.g., Business, Aviation Management, Logistics, Travel and Tourism, or related disciplines).
- Strong academic record with a passion for pursuing a career in the aviation or transport sectors.
- Available to start in Summer 2025.

Experience

- Previous work experience or internships in a customer service or operational role would be beneficial but is not essential.
- Experience in a fast-paced, customer-facing environment is desirable.

Skills

- **Communication Skills:** Strong written and verbal communication skills.
- **Organizational Skills:** Ability to manage time effectively and work under pressure.
