Logan Airport Internship Graduate Employment 2025 Apply Now

Description

Logan International Airport is offering an exciting opportunity for graduates to kick-start their career in the aviation and airport industry through the 2025 Graduate Employment Program. This program is designed to provide graduates with hands-on experience in airport operations, customer service, logistics, marketing, and management. Successful candidates will gain invaluable exposure to the inner workings of one of the busiest airports in the United States, setting them up for future career success in the aviation sector.

Responsibilities

As part of the Graduate Employment Program, you will be assigned to various teams within Logan Airport and participate in key operational activities. Your responsibilities may include:

- Assisting with airport operations management, including flight schedules, baggage handling, and coordination of gate assignments.
- Supporting customer service operations, ensuring that passengers receive high-quality service and support.
- Conducting research, analysis, and reporting on operational efficiency and customer satisfaction metrics.
- Participating in marketing campaigns, social media management, and promotional events to enhance Logan Airport's public image.
- Helping with airport security and safety protocols by observing and supporting security measures and emergency response planning.
- Collaborating on special projects aimed at improving airport infrastructure, customer experience, or sustainability initiatives.
- Attending training sessions and professional development workshops to enhance your knowledge and skills in airport management.
- Shadowing senior professionals and assisting with daily operational duties across different airport departments.

Qualifications

- A recent graduate (within the last 12 months) with a degree in Aviation Management, Business Administration, Logistics, Hospitality Management, Marketing, or a related field.
- Strong academic background with a demonstrated interest in the aviation or airport industry.
- Ability to manage multiple tasks effectively and meet deadlines.

Experience

- Previous internships, volunteer roles, or part-time work in customer service, hospitality, business operations, or aviation are highly desirable, but not required.
- Experience working in fast-paced or customer-facing environments is beneficial.
