London Ambulance Service Internship Programme 2025 Opportunities

Description

The London Ambulance Service Internship Programme 2025 provides an exciting opportunity for motivated individuals to gain valuable experience in the emergency healthcare sector. This internship offers the chance to work alongside professionals in a fast-paced environment, helping to support the delivery of critical healthcare services across London. Participants will gain exposure to a range of operational, clinical, and administrative roles, contributing to the improvement of patient care, and developing essential skills in the healthcare industry.

Responsibilities

- **Support Emergency Operations:** Assist in the day-to-day operations of the London Ambulance Service (LAS) by shadowing paramedics, emergency medical technicians (EMTs), and other professionals. Learn about the logistics and coordination involved in responding to emergency calls.
- **Patient Care Assistance:** Observe and participate in non-clinical aspects of patient care, including assisting with transporting patients and supporting medical staff during emergency responses (under supervision).
- **Administrative Support:** Contribute to the maintenance of patient records, data entry, and filing. Assist with administrative tasks that ensure smooth operational functioning.
- **Collaboration & Teamwork:** Work closely with LAS staff and other healthcare professionals to deliver high-quality care. Participate in team meetings and contribute to discussions on service improvements.
- **Learning & Development:** Participate in structured learning activities, including formal training, shadowing professionals, and attending workshops. Gain a deeper understanding of the role of ambulance services in the healthcare system.
- **Health & Safety:** Follow all safety protocols and guidelines while on duty, ensuring the well-being of both staff and patients.

Qualifications

- **Eligibility:** Open to individuals aged 18 years and over.
- **Academic Requirements:** A minimum of 5 GCSEs (Grade 4/C or above), including English and Maths. Alternatively, A-Level qualifications or equivalent qualifications in health, science, or a related field are desirable but not mandatory.
- **Driving License:** A valid UK driving license is advantageous but not essential for all roles.

Experience

- **Previous Experience:** No prior experience in the ambulance or healthcare sector is required, though an interest in healthcare, first aid, or emergency services is beneficial.
