MAG (Airports Group) Internship Schemes 2025 New Hiring

Description

MAG (Manchester Airports Group) is excited to offer its Internship Schemes for 2025, designed to provide ambitious individuals with the opportunity to gain valuable experience and skills in the fast-paced aviation industry. As an intern apprentice, you will work alongside experienced professionals, supporting key functions within the airports and developing your understanding of the operations that drive the success of MAG. This program is a stepping stone to a rewarding career in the aviation and airport management sectors, providing you with a broad exposure to various departments and career paths.

Responsibilities

- **Airport Operations Support:** Assist in the daily operations of the airport, including customer service, baggage handling, security operations, and ground services.
- **Project Assistance:** Participate in ongoing projects within different airport departments, supporting tasks and activities to ensure their successful completion.
- **Customer Experience Enhancement:** Contribute to initiatives aimed at improving the passenger experience, helping to ensure smooth and efficient airport operations.
- **Team Collaboration:** Work closely with various teams to support operational goals, ensuring high standards of service delivery and efficiency.
- **Data and Reporting:** Collect, organize, and analyze data as required for operational or project-based tasks, helping to generate actionable insights for decision-making.
- **Administrative Support:** Help with office duties, such as scheduling, preparing reports, and maintaining records to support various functions across the group.
- **Health & Safety:** Assist with the adherence to safety protocols, ensuring a secure and compliant working environment for both staff and passengers.
- **Learning & Development:** Engage in training and development opportunities, gaining exposure to different areas within airport management, marketing, finance, and operations.

Qualifications

- Must be currently studying or have recently completed a qualification in a relevant field such as Business Management, Aviation Management, Travel and Tourism, or a related discipline.
- A strong interest in pursuing a career in the aviation or airport management sector.

Experience

- Previous experience is not essential, though any prior involvement in

customer service, operations, or the aviation industry is advantageous.

- Experience in working within a team-based environment or in a customer-facing role is beneficial.

Skills

- **Communication:** Strong verbal and written communication skills, with the ability to effectively communicate with colleagues, customers, and external partners.
- **Teamwork:** Ability to collaborate effectively with colleagues across various teams to achieve common goals.
- **Problem Solving:** Aptitude for identifying challenges and offering creative solutions to overcome them in a fast-paced environment.
- **Attention to Detail:** Ability to maintain accuracy and precision in tasks and project work.
- **Adaptability:** Flexible and proactive approach to handling changing priorities and tasks.
- **Organizational Skills:** Strong ability to manage time effectively and prioritize multiple tasks.
- **IT Proficiency:** Good working knowledge of Microsoft Office applications (Word, Excel, PowerPoint) or similar programs; familiarity with airport systems is an asset.

Job Benefits

- **Professional Development:** Access to a structured training program and mentorship from experienced industry professionals.
- **Exposure to Various Departments:** Gain hands-on experience in diverse areas of airport operations, management, customer service, and more.
- **Paid Internship:** Competitive compensation for the duration of the apprenticeship.
- **Career Progression Opportunities:** High-performing interns may be considered for full-time roles or further training opportunities within the MAG group.
- **Networking:** Opportunities to connect with senior professionals in the aviation industry and build valuable career contacts.
- **Employee Benefits:** Discounts on various services across the airport, including retail, food outlets, and parking.
- **Work Environment:** Work in a dynamic, fast-paced environment with a focus on innovation and operational excellence.

How To Apply

To apply for the MAG Internship Schemes 2025, follow these steps:

1. **Submit Your CV:** Ensure your CV is up to date, highlighting your qualifications, relevant skills, and any prior experience that may be relevant to the internship.
2. **Write a Cover Letter:** In your cover letter, explain your interest in the aviation industry, why you want to join MAG, and what you hope to achieve from the apprenticeship.
3. **Complete the Application Form:** Visit the official MAG careers website and complete the online application form, providing additional documentation such as academic transcripts or references if requested.
