

Marks and Spencer Summer Internship Placements 2025 In UK

Description

The Marks & Spencer Summer Internship Program offers university students an exciting opportunity to gain real-world experience at one of the UK's most renowned retail brands. As an intern, you will gain invaluable insights into the workings of a leading retail business, developing both your professional skills and your understanding of the retail industry. This 10-12 week internship will provide you with the chance to contribute to live business projects and work alongside experienced professionals in a dynamic, fast-paced environment.

Responsibilities

- **Support key business functions** across various departments, including retail operations, marketing, supply chain, or finance.
- **Contribute to project work** by assisting in data analysis, market research, and creating presentations for senior leadership teams.
- **Collaborate with team members** to help implement business strategies and assist in the delivery of key objectives.
- **Provide customer insights** by helping analyze customer feedback, trends, and behaviors.
- **Assist in event planning and coordination**, marketing campaigns, or store merchandising initiatives.
- **Prepare reports and presentations** based on project findings to communicate to stakeholders.
- **Participate in team meetings**, offering insights, ideas, and recommendations.
- **Attend networking events** and training sessions designed to develop your professional skills and expand your understanding of Marks & Spencer's business.

Qualifications

- Currently enrolled in a **degree program** at university (preferably in Business, Marketing, Retail, Management, Finance, or a related field).
- Expected to be in your **penultimate year** of study (those in the final year may also apply).
- A **strong academic record**, typically 2:1 or above, or equivalent qualifications.

Experience

- While prior work experience is not mandatory, any previous internships, part-time work, or involvement in university clubs or societies will be considered an advantage.
- **Passion for retail** and an interest in pursuing a career within the retail sector.
- Some experience in customer-facing roles, marketing, or data analysis would be beneficial but is not required.
