Newark Airport Internship Employments 2025 In United States

Description

The Newark Airport Internship Employment 2025 program offers students and recent graduates the opportunity to gain hands-on experience in the fast-paced and dynamic environment of one of the busiest airports in the United States. Interns will work alongside professionals in various departments, including operations, customer service, logistics, marketing, and aviation management, contributing to the seamless operation of Newark Liberty International Airport (EWR).

Responsibilities

- Assist in day-to-day airport operations, including security, customer service, and logistics.
- Provide support to various teams in handling passenger inquiries, processing information, and managing airport facilities.
- Participate in research and analysis of operational data to improve efficiency and service quality.
- Shadow senior staff members and gain exposure to industry practices related to aviation management and airport operations.
- Collaborate with different departments on special projects and initiatives aimed at enhancing the airport experience for travelers.
- Prepare and present reports on assigned tasks, offering insights and recommendations based on internship experiences.
- Attend training and professional development sessions related to the aviation industry.

Qualifications

- Currently enrolled in or recently graduated from an undergraduate or graduate degree program in Aviation Management, Business Administration, Marketing, Logistics, or a related field.
- Strong academic performance with a passion for the aviation industry.
- Availability for full-time or part-time internships, with flexible working hours.
- Ability to commit to the full duration of the internship (typically 3-6 months).

Experience

- Previous internship experience in customer service, business operations, or logistics is desirable but not required.
- Familiarity with airport operations or the aviation industry is a plus, though not mandatory.

Skills

- Strong written and verbal communication skills.
- Excellent problem-solving abilities and attention to detail.
- Ability to work independently as well as part of a team.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
