Ofgem Internship

Description

The Ofgem Internship Program offers recent graduates an opportunity to gain hands-on experience in the energy sector. The program is designed to enhance knowledge and skills in energy regulation, sustainability, and policy-making, while contributing to Ofgem's mission of delivering a greener, fairer energy system.

Responsibilities

As an Ofgem Intern, you will:

- Support ongoing projects in policy development, energy regulation, and market analysis.
- Conduct research and analysis to inform decision-making on critical energy issues.
- Assist in drafting reports, presentations, and policy briefs for internal and external stakeholders.
- Collaborate with cross-functional teams on initiatives aimed at promoting sustainability and innovation in the energy market.
- Provide administrative and operational support as needed.
- Participate in training and professional development opportunities offered during the interns

Qualifications

- A recent graduate (2024 or 2025) with a degree in a relevant field such as Economics, Law, Engineering, Environmental Science, Business, or Public Policy.
- A strong academic record with a minimum 2:1 or equivalent.

Experience

- Demonstrated interest in energy, sustainability, public policy, or regulation through coursework, projects, or extracurricular activities.
- Previous internship or work experience in a related field is advantageous but not mandatory.

Skills

- Strong analytical and problem-solving skills.
- Excellent written and verbal communication abilities.
- Ability to work independently and collaboratively within a team environment.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- An understanding of or willingness to learn about energy markets, sustainability, and regulatory frameworks.

Job Benefits

- Competitive internship stipend.
- Mentorship and networking opportunities with industry professionals.
