## Ohio Department Of Health Internship Student Employment 2025

### Description

The Ohio Department of Health (ODH) offers a unique internship opportunity for students in 2025, providing a valuable learning experience in the public health sector. This internship is designed to assist students in applying classroom knowledge to real-world health and policy challenges. Interns will gain hands-on experience, contribute to projects that support the health and well-being of Ohio residents, and develop professional skills necessary for a successful career in public health.

### Responsibilities

- **Assist in Research and Data Collection:** Support health research projects by gathering data, conducting surveys, and analyzing trends to inform policy development and health programs.
- **Support Public Health Initiatives:** Contribute to various health campaigns, educational outreach, and community health programs aimed at improving public health outcomes.
- **Administrative Tasks:** Provide general administrative support including managing files, preparing reports, and maintaining departmental records.
- **Event Planning:** Help coordinate meetings, workshops, and health-related events, ensuring smooth logistics and effective execution.
- **Collaborate with Health Professionals:** Work alongside experienced public health professionals and gain insights into the day-to-day operations of a state health agency.
- **Provide Customer Service:** Assist with responding to inquiries and provide information to the public regarding health programs and services.
- **Other Duties:** Participate in special projects and contribute to various departmental functions as needed.

### Qualifications

- **Enrollment Status:** Currently enrolled in an undergraduate or graduate program in Public Health, Health Policy, Environmental Health, or a related field.
- **Academic Standing:** Must have a minimum GPA of 2.5 or higher.
- **Interest in Public Health:** Strong interest in pursuing a career in public health, policy, or health administration.

### Experience

**No prior experience required:** This internship is designed for students, so prior experience in public health is not necessary. However, experience or coursework in public health, community health, health education, or similar areas is preferred.

### Skills

- **Communication Skills:** Strong written and verbal communication skills, with the ability to interact professionally with diverse stakeholders.

### Hiring organization

Ohio Department Of Health Internship
