## Omaha Airport Internship Program 2025 Apply Online

### Description

The Omaha Airport Internship Program 2025 offers a unique opportunity for students and recent graduates to gain hands-on experience in the aviation industry. Interns will work closely with various departments at the airport, including customer service, operations, marketing, and administration. This internship provides valuable insights into the daily operations of a major airport and prepares candidates for a potential future career in the aviation field.

### Responsibilities

- Assist with airport operations, including security, check-in, and baggage handling processes.
- Support customer service teams in addressing passenger inquiries and ensuring a positive travel experience.
- Collaborate with marketing and communications teams on projects, including social media, promotions, and airport events.
- Participate in administrative tasks such as data entry, filing, and report generation.
- Observe and learn airport management practices, including logistics, scheduling, and operational procedures.
- Assist in safety and security protocols by ensuring compliance with airport regulations.
- Attend meetings, workshops, and training sessions to enhance knowledge of the aviation industry.
- Perform any other duties as assigned by supervisors or department heads.

### Qualifications

- Currently enrolled in or a recent graduate from a college/university program (preferably in Aviation Management, Business Administration, or related fields).
- Strong academic performance and interest in the aviation or airport management industry.
- Ability to work in a dynamic, fast-paced environment and demonstrate excellent organizational skills.

### Experience

- No previous experience required; however, any relevant internships, volunteer work, or academic projects related to aviation, business, or customer service are a plus.

### Skills

- Strong communication skills, both verbal and written.
- Ability to work well in a team and independently.
- Excellent time management and multitasking abilities.
