SFO Airport Summer Internship Opportunities 2025

Description

The SFO Airport Summer Internship Program offers undergraduate and graduate students the chance to gain hands-on experience in airport operations, management, engineering, customer service, environmental sustainability, and more. As an intern, you will gain valuable insights into the inner workings of one of the world's busiest airports, work on projects that impact airport operations, and develop skills that will support your future career in aviation, transportation, public service, or related fields.

Responsibilities

- Support specific airport departments such as Operations, Facilities, Customer Experience, Environmental Sustainability, Engineering, and more.
- Assist with project planning, data collection, analysis, and reporting.
- Engage in problem-solving and process-improvement initiatives.
- Attend meetings, events, and training sessions to develop a deep understanding of airport management.
- Provide customer support and assist with passenger services during peak times.
- Create presentations or reports on project progress and outcomes to share with mentors and other SFO staff.
- Network with professionals within various airport departments and participate in professional development sessions.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program, ideally with a focus on Aviation, Transportation, Business, Environmental Science, Engineering, Public Administration, or a related field.
- Expected graduation date of 2025 or later.
- Must be at least 18 years old and eligible to work in the United States.

Experience

- Prior internship, volunteer experience, or coursework relevant to airport operations, transportation, or customer service is a plus.
- Experience working in a fast-paced or customer-focused environment is beneficial.
- Familiarity with environmental initiatives or public administration projects is a bonus for certain internship tracks.

Skills

- Strong interpersonal and communication skills.
- Ability to work independently and in a team-oriented environment.
- Excellent organizational and time-management abilities.
- Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint).
- Attention to detail and problem-solving skills.
