Southeastern Railway Internship Vacancies 2025 | Open Position

Description

The Southeastern Railway Internship Programme aims to provide participants with an in-depth understanding of the railway industry while developing skills in key areas such as operations, customer service, engineering, and business administration. As an intern, you will work alongside experienced teams and gain insights into the challenges and innovations shaping the future of rail travel.

Responsibilities

Your responsibilities will vary depending on the role you choose, but typical duties include:

- **Engineering & Maintenance**
 - Assisting in the maintenance and repair of trains and rail infrastructure.
 - Supporting the development of engineering projects and technical solutions.
 - Conducting safety checks and equipment inspections.
- **Customer Service**
 - Engaging with passengers to deliver excellent service and address queries.
 - Assisting with ticketing, station operations, and on-board services.
 - Ensuring customer safety and satisfaction at all times.
- **Operations & Planning**
 - Supporting the scheduling and coordination of rail services.
 - Analysing data to improve operational efficiency and service reliability.
 - Collaborating with teams to address operational challenges.
- **Corporate Functions**
 - Assisting with administrative tasks, project management, or marketing initiatives.
 - Preparing reports, presentations, and communications for internal and external stakeholders.
 - Supporting HR, finance, or other corporate departments as needed.

 - Supporting HR, finance, or other corporate departments as needed.

Qualifications

To be eligible for this programme, you should:

- Be currently enrolled in or recently graduated from a relevant college or university course (for internships).
- Have a minimum of GCSE qualifications, including passes in Maths and English, for technical and administrative roles.

Experience

- Previous work or volunteer experience in customer service, engineering, or a related field is beneficial but not mandatory.
- Demonstrated interest in the rail industry or public services is an advantage.

Skills

We are looking for candidates with the following skills:

- Strong communication and interpersonal abilities.
- Problem-solving and analytical thinking.
- Proficiency in Microsoft Office and other relevant software tools.
- Teamwork and adaptability in a fast-paced environment.
- A proactive approach to learning and contributing to projects.

Job Benefits

- Hands-on experience in a leading UK rail company.
- Mentorship from industry experts.
- Competitive internship allowance.
- Networking opportunities within the rail and transportation sector.
- Free or discounted travel on Southeastern Railway services.
- Potential pathways to long-term career opportunities.
