## Springfield Airport Internship Employments 2025 New Hiring

### Description

The Springfield Airport Internship Program offers students and recent graduates the opportunity to gain hands-on experience in the aviation industry. Interns will work in various departments, including operations, customer service, marketing, logistics, and safety, contributing to the efficient and effective functioning of the airport. This program provides valuable exposure to the dynamic environment of airport operations and offers a chance to develop professional skills while working alongside industry professionals.

### Responsibilities

- Assist in daily airport operations, ensuring smooth functioning of flight schedules, baggage handling, and passenger services.
- Collaborate with the operations team to improve airport processes and optimize customer experience.
- Support the customer service team by providing assistance to passengers, handling inquiries, and resolving concerns.
- Work alongside airport staff to ensure compliance with safety regulations and airport policies.
- Participate in marketing and promotional activities, helping to enhance the airport's public image.
- Assist in the preparation of reports and analysis related to airport performance, passenger data, and customer feedback.
- Aid in event coordination, including customer engagement programs, airport tours, and promotional events.
- Observe and support the airport's sustainability initiatives and environmental efforts.
- Attend workshops and professional development sessions designed to enhance industry knowledge and career prospects.
- Take on project-based assignments related to the various departments to enhance operational efficiency and overall service delivery.

### Qualifications

- Currently enrolled in an accredited college or university program, or recent graduate (within the past 12 months).
- Pursuing a degree in aviation management, business administration, marketing, logistics, or any related field.
- Strong academic performance with a minimum GPA of 3.0.
- US citizenship or legal permanent resident status.

### Experience

- No prior work experience is required, although internships or part-time jobs in customer service, hospitality, or related fields will be an advantage.
- Interest in airport operations, aviation, logistics, customer service, or related industries.
