Tampa Airport Internship Latest Opportunities 2024 Apply Now

Description

The Tampa International Airport Internship Program provides an invaluable opportunity for students and recent graduates to gain hands-on experience in a dynamic airport environment. Interns will have the chance to work across multiple departments, learning directly from professionals in areas such as aviation management, operations, customer service, finance, marketing, engineering, and more. This program aims to prepare individuals for future roles in the aviation industry while contributing to the continued success of Tampa International Airport.

Responsibilities

- **Support Airport Operations:** Assist in daily operations, including passenger services, security, and terminal management.
- **Project Assistance:** Contribute to various projects, performing research, data collection, analysis, and reporting as needed.
- **Administrative Support:** Provide general administrative support, including document preparation, presentations, and report generation.
- **Customer Service:** Engage with passengers, providing information and assistance to enhance the traveler experience.
- **Event Coordination:** Assist with airport events, including planning, setup, and execution.
- **Cross-Departmental Collaboration:** Work with different departments to gain a holistic understanding of airport functions and operations.

Qualifications

- Current student or recent graduate from an accredited college or university.
- Pursuing or recently completed a degree in aviation management, business administration, engineering, marketing, communications, finance, or a related field.
- Minimum GPA of 3.0 (on a 4.0 scale) preferred.

Experience

- Prior internship or volunteer experience in aviation, transportation, or customer service is a plus.
- Demonstrated interest in airport management, operations, or the aviation industry.

Skills

- Strong verbal and written communication skills.
- Ability to work both independently and as part of a team.
- Excellent organizational and time-management skills.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Analytical skills with attention to detail.
- Problem-solving and adaptability skills in a fast-paced environment.
