

The Crown Estate Internship Latest Programme 2025 In UK

Description

The Crown Estate Internship Programme 2025 offers talented and motivated individuals an opportunity to gain invaluable experience within a prestigious and dynamic organization. As an intern, you will gain exposure to various aspects of The Crown Estate's diverse portfolio, including land management, property development, sustainability initiatives, and governance. This internship is designed to support your personal and professional growth while contributing to the ongoing success of The Crown Estate.

Responsibilities

- **Assisting in Research & Analysis:** Support teams in conducting market research, analyzing data, and preparing reports on key areas of The Crown Estate's portfolio.
- **Property & Land Management Support:** Assist in the management and development of properties and land across the UK, including residential, commercial, and mixed-use assets.
- **Sustainability Initiatives:** Contribute to environmental sustainability projects, including energy efficiency programs, renewable energy strategies, and biodiversity conservation efforts.
- **Stakeholder Engagement:** Support communication and engagement with external stakeholders, including tenants, partners, and local communities.
- **Administrative Support:** Provide general administrative assistance to various teams across the business, ensuring smooth day-to-day operations.
- **Project Involvement:** Gain hands-on experience by being involved in ongoing projects related to real estate, regeneration, and development.

Qualifications

- Current undergraduate student, recent graduate, or postgraduate in a relevant field such as Business, Real Estate, Property Management, Environmental Science, or similar.
- A strong interest in property development, sustainability, and land management.
- Excellent academic record with a passion for learning and professional development.

Experience

- Previous work experience or internships within property, real estate, or a related sector is desirable but not essential.
- Experience in using Microsoft Office Suite, particularly Excel and PowerPoint, for reporting and presentations.

Skills

- **Communication Skills:** Strong written and verbal communication skills for
