Transport for Greater Manchester Internship Graduate Vacancies 2025

Description

Transport for Greater Manchester (TfGM) is offering exciting Internship Graduate and Apprenticeship opportunities for 2025. These positions provide a fantastic opportunity for graduates and aspiring professionals to gain hands-on experience in the transport and infrastructure sectors. You will be involved in innovative projects that are shaping the future of transport across Greater Manchester, contributing to sustainability, customer service, and operational efficiency.

Responsibilities

- Support the delivery of key transport projects, programs, and services across Greater Manchester.
- Assist with the development, analysis, and management of data to improve transport services.
- Collaborate with cross-functional teams to deliver customer-focused transport solutions.
- Contribute to the planning and implementation of transportation infrastructure and services.
- Help prepare reports, presentations, and strategic documents for senior management.
- Engage in continuous improvement initiatives to enhance TfGM's operations and service delivery.
- Participate in community engagement activities and support local transport campaigns.
- Attend workshops, training, and seminars to develop technical knowledge and professional skills.
- Provide administrative support to various departments to ensure smooth operations.

Qualifications

- A minimum of a 2:2 degree in a relevant subject (e.g., Transport Planning, Civil Engineering, Geography, Business Management, or similar fields).
- Alternatively, a relevant vocational qualification with work experience in transport or infrastructure can be considered.
- GCSEs or equivalent in Maths and English (Grade C/4 or above) are required.

Experience

- Previous internship or work experience in a transport, logistics, or infrastructure-related role is desirable but not essential.
- Experience working on projects or in a customer service environment is advantageous.
- Any experience with data analysis, research, or reporting will be beneficial.

- Strong written and verbal communication skills.
- Ability to work well both independently and as part of a collaborative team.
- Excellent problem-solving and analytical skills.
- Proficiency in MS Office Suite (Word, Excel, PowerPoint, Outlook).
- An interest in transport planning, sustainability, and urban mobility.
- Time management skills with the ability to prioritize tasks effectively.
- A proactive and enthusiastic attitude towards learning new skills.
- A commitment to improving transport and infrastructure services for the Greater Manchester area.

Job Benefits

- Competitive salary with benefits package.
- Training and development opportunities to support career growth.
- Exposure to a wide range of projects and professionals in the transport sector.
- Mentorship and guidance from senior staff members.
- Flexible working arrangements where applicable.
- Access to TfGM's employee benefits, including travel discounts and wellness programs.
- A chance to work on projects that have a tangible impact on local communities.
- Opportunities for full-time employment upon successful completion of the apprenticeship.

How To Apply

To apply, please submit the following documents:

1. A current CV detailing your educational qualifications, work experience, and skills.
2. A cover letter explaining your motivation for applying, how your background aligns with the role, and what you hope to gain from the apprenticeship.
3. Two references academic or professional.
